Good Morning George... Since we briefly spoke at your "meet & greet" at Keys Fisheries, many people have come to me to talk about the current status, audit, loyalty, etc. of Linda and SUFA. You had mentioned that I (or someone I know) should form another non-profit to take over the shelter... well, I think that may have happened. Do you have any time to get together sometime next week for lunch? I would love to up date you on what I know and have heard from Linda's co-workers and ask a few questions on what may be possible for the future of a "no kill" shelter in Marathon.

Thanks so much for your time, Cora
