Hi George...

I bet if you look at the email address I wrote it is written Keyzlivin... hee hee. Anyway, thanks for forwarding the email from Marcie Sapp. I do not know who she is and am not aware of American Pet Association... wonder if they have or would install a local board if they receive the shelter bid. More importantly, I'm glad that Monroe County officials are encouraged to send out an RFP.

Catch up with you soon, Cora

To whom it may concern,

I am writing to inform you of our interest in bidding on the contract to operate the animal control and shelters for Marathon and Big Pine Key.

We understand that Stand Up for Animals has until October 21, 2010 to submit a proposal that is acceptable to the county. We urge you to refuse any proposal and open the contract for bidding from other sources. We have reviewed SUFA's previous contract and are certain that we can provide better service for the county at a lower cost. We have resources and experience available to us that will help to lighten the burden to the county over time. Our intention is to reduce the cost to the county over subsequent years and, if the county would like, take over operations of the Key West and Upper Keys facilities.

I will be mailing a packet of information to your office for your review. If you have
