

1 supposed to stay in Monroe County.

2 Now, the judge is the final arbiter of that
3 situation. But, in my interpretation, and I think the
4 Board's interpretation, that money was supposed to stay in
5 Monroe County and to be used for Monroe County animals.

6 Q And that -- so we're clear, that's every dollar
7 that the county ever paid to SUFA, you believe had to stay
8 in Monroe County?

9 A I do.

10 Q What document do you have in front of you?

11 A This?

12 Q Yes.

13 A That's my agenda for the Board of County
14 Commission.

15 Q I'm just asking if it was something related to
16 this?

17 A No.

18 Q It's nothing, going back in time?

19 A No. No. No. No. I didn't know. My experience
20 with attorneys, usually, you don't get started on time, so
21 I brought me some reading material.

22 Q No. That's fine, if it's unrelated. I would ask
23 you about it, but if it's not.

24 Do you know somebody named Lynn Mapes?

25 A I do.

1 Q Why has he not been sued as a defendant in this
2 case?

3 A I don't know. Is his name on there?

4 MS. LIMBERT-BARROWS: Objection --

5 BY MR. KUNZ:

6 Q No. I asked you why he hasn't been?

7 MS. LIMBERT-BARROWS: Objection, speculation.

8 Calls for a legal conclusion.

9 A Yeah. I don't know. I -- and I didn't notice
10 his name.

11 Q It's not. I'm asking you why it's not?

12 MS. LIMBERT-BARROWS: Objection, speculation.

13 Legal conclusion. Calls for a legal conclusion.

14 Sorry.

15 A I, obviously, am not following.

16 Q He was a director --

17 A I don't know why it's not in there.

18 Q He was a SUFA director. And I'm asking you why
19 you didn't name him?

20 A I have no idea.

21 Q How do you know him?

22 A Lynn's a long time, very close friend. And I
23 didn't know he was on the board either.

24 Q How long have you known him?

25 A Probably, 15 years or longer. Longer; 20 years.

1 MS. LIMBERT-BARROWS: Objection, speculation.

2 Calls for a legal conclusion.

3 A And if I -- do I have to answer?

4 Q Yes. You have to answer the question.

5 A Then, it's -- I think you have to be careful of
6 buying into something that could get you into litigation.
7 I would answer in saying that, normally, probably not.
8 But, sometimes you, as an attorney, knows that lawyers love
9 to scatter things.

10 Q You said --

11 MR. KUNZ: Could you read back the last sentence
12 of his answer.

13 (Record read.)

14 Q What does that mean?

15 A Well, sometimes in litigation matters, things --
16 things happen and then those individuals who wind up in
17 lawsuits can plead to the courts that I wasn't involved in
18 the litigation that was taken and possibly, erroneously,
19 included in a lawsuit.

20 Q Kind of a shoot now and let's sort it out, kind
21 of a --

22 A That's the way you --

23 MS. LIMBERT-BARROWS: Objection, argumentative.

24 A That's the way you guys operate.

25 Q It's not the way I operate.
