Before I start working on this could you please ask Dent if there was anything in particular that I need to mention in this request...why we are asking for this? Roman didn't give me much to work with.

Thanks!

I know it's due to possible improprieties involving SUFA, but I didn't attend yesterday's meeting, and I doubt if that's how they would want to word it.

However, all three shelters collect County fees in accordance with Resolution No. xxx (I'll get the number to you shortly), and those fees are deposited by the contractors in County bank accounts; and even though each shelter submits an annual financial audit of their non-profit corporations, a true audit of the shelters has never been conducted to my knowledge.

Good morning Beth,
Mr. Gastesi would like the language to request an audit for the 3 animal shelter providers (names) to give to Mr. Kolhage. I believe Dent attended a meeting yesterday and would have more info for you.

Thanks,
Connie
