

1 Q Could you look at paragraph two.

2 A Paragraph two.

3 Q It's on the first page.

4 A Okay.

5 Q What is the annual payment under the contract
6 provision?

7 A If, in fact, the contract is in effect for 12
8 months, it would be \$248,598.

9 Q The contract further provides that that breaks
10 down to \$20,716.50 per month, within that same paragraph,
11 correct?

12 A Yes. Yes.

13 Q And that's to pay for the scope of services
14 identified in the contract; is that how you read this?

15 A I think that's the way I read it.

16 Q And is it your position that the \$20,716.50 per
17 month that were paid to SUFA could not be spent outside of
18 Monroe County, Florida?

19 A My position, without clarification, would be that
20 that money was to stay in Monroe County.

21 Q Ms. Limbert-Barrows showed you a letter from
22 Roman Gastesi to the Clerk Of Court, Danny Kolhage,
23 initiating the formal audit process?

24 A Yes.

25 Q Do you recall the meeting with Mr. Kolhage, Mr.

1 Gastesi, prior to that letter being issued?

2 A Meeting with them? I meet with them all the
3 time. In reference to this audit?

4 Q Yes.

5 A I don't think so.

6 Q Does that change your recollection about why the
7 audit of SUFA was requested, from your prior testimony?

8 A Yeah. I think that -- I think this clarifies who
9 and why it was requested. I forget exactly what my
10 response was to your question. But, as I said, my memory
11 was washed on this.

12 Q Well, you testified at length about the fact that
13 Ms. Gottwald requested a 23 percent increase in the annual
14 compensation as one of the reasons that triggered the
15 audit. Is that -- you're no longer saying that?

16 A Did she make that request, prior to July 8th?

17 Q I don't know.

18 A I don't know either.

19 Q I'm asking you. You're the one that testified
20 about it.

21 A I'm the one that said that I thought that that's
22 what triggered Ms. Gottwald -- this audit taking place. I
23 don't know, now, based upon what I'm reading in this
24 letter, the chronology of that situation of which came
25 first.
