Hi George,

Thanks so much for taking the time to meet with me yesterday and for lunch. Always great to see you and I appreciate your viewpoint and direction... as I mentioned, my concern is that for the animals and for the taxpayers of Monroe County.

Katie has already contacted Beth Leto for a copy of the old RFP. I also asked her what she is paid... she started working for SUFA four years ago at \$13.00/hr. and when she confronted Linda about the January 2009 Board minutes where she was given (or not) a pay increase, she was given a \$1.00 raise... of course not retroactive.

The name of the vet that we were trying to come up with yesterday is Dr. Glen Buckley (I thought Greg) but he was also asked to serve as an officer of SHARK (Safe Harbor Animal Rescue of the Keys). He has been very helpful in assisting Katie with the animals at the shelter particularly with Linda gone... most recently a cute little mixed lab girl puppy with a broken hip that Katie rescued in the middle of the night.

I also asked Katie if she knew what kind of deposits comprised the \$220,000 bank account... she indicated that Linda's answers were vague. However, Katie did believe that there *are* donations and contributions made to that account but not properly noted. Maybe there will be some answers when the audit comes out.

Hope you have a GOOD day... keep me posted on related events.

Cora
