WHEREAS, the SA's Office will highly publicize the collaboration to discourage the high risk behavior of drinking and driving while intoxicated as well as the consequences of adults enabling underage drinking; and

WHEREAS, when MCC and law enforcement increase DUI patrols, there are increased arrests which increases the caseload of prosecutors which was identified as a gap during SPF funded strategies; and

WHEREAS, MCC and GCC wish to support the SA's Office in these prosecutions by funding an additional prosecutor position to prosecute DUI cases and cases involving adult enablers of underage drinking through Grants administered by South Florida Behavior Health Network ("SFBHN").
