

October 14, 2013

This letter is written to thank you for your help keeping the Southernmost Cabana Resort a safe place while we are getting ready for redevelopment. Our relocation program is working great and we have made arrangements for people to transfer to Big Coppitt and Lazy Lakes RV Park. Additionally, we have funds available for the \$2,500.00 allocation allowance.

I want to recap how the program works exactly because we are closing the Park December 5, 2013.

- 1) You must be current on your rent and relocate before any funds are released.
- 2) You give us five days written notice that you're moving and when you leave the property you will receive your \$2,500.00 that day.
- 3) If you have let anyone move in with you, you are responsible for moving them out of the property and the Park.

If you have any questions please contact Gary Smith at 305-304-7009. If you need to set an appointment me, Gary can arrange that also.

Thank you for your continued cooperation and support in our efforts to assist you in relocation.

Regards,

Joe Cleghorn
