Subject: Invasive exotic plant removal
Violation—Follow-up

Dear Mr. Senmartin:

Our office mailed you a certified letter on March 29, 2004 indicating required mitigation for the removal of native vegetation. I have not heard anything from you as to what trees you will be planting and when this planting will occur.

Please contact me to discuss your mitigation as soon as you receive this letter. I can be reached at (305) 289-4112 or dyerw@ci.marathon.fl.us. Should I not hear from you, I will be required to involve the Code Compliance Office.

Sincerely,

Wendy Dyer
Planning Biologist
