

**Policy ~~207206.1.2~~ <PC recommended further discouraging development on offshore islands with no prior development>**

Development shall be prohibited on offshore islands (including spoil islands) which have been documented as an established bird rookery, based on resource agency best available data or survey, ~~as identified on the current Protected Animal Species Map. [9J 5.012(3)(c)1; 9J 5.013(2)(c)5 and 6]~~ Monroe County shall discourage the development of offshore islands (including spoil islands) which have no prior development and have significant upland habitat by prohibiting the extension of public facilities and designating the offshore islands as Tier I.
